**Plustek will present its newest innovation,  
the eScan A150 at the Taiwan Excellence  
Pavilion in India**

*The eScan A150 standalone network document scanner was awarded with the prestigious Taiwan Excellence Award 2015, for meeting the requirements regarding innovation, design and quality.*

**Delhi, India (April, 2016) – Plustek Inc.** ([www.plustek.com/in](http://www.plustek.com/in)), a manufacturer of consumer, prosumer and professional imaging, and security devices, is invited to participate at "The Taiwan Industry Image Enhancement Project (IEP)" and will exhibit the **Plustek eScan A150** at the "Taiwan Excellence Pavilion" in the GES Show from April, 21-23.

The Plustek eScan A150, winner of Taiwan Excellence Award 2015, is the first standalone personal workgroup, and network ADF document scanner, tailor-made for small and medium-sized businesses. The key scanning feature is the very intuitive user interface plus its functions, which allows users to process documents and view them on a seven inch touch-screen display and send the files via multiple destinations, including mobile, email, USB driver, cloud server, FTP, and PC anywhere in the world in just three simple steps. Taiwan Excellence Award is a crucial symbol of outstanding quality for Taiwanese products; each potential award candidate is judged by the staff of the Taiwan Excellence committee on the merits of their research and development capabilities, design elegance, quality of workmanship and

marketing accuracy. Plustek eScan A150 received this prestigious award with meeting the requirements of innovation, design and quality.

“The eScan A150 scanner has been presented at many popular exhibitions around the world, including the CeBIT2015, Computex Taipei 2015, and itSHOWCASE UK 2015. The feedbacks we received are very positive,” said Josefina Siao, Plustek Regional Account Manager. “We’re thrilled to have the opportunity to also introduce our eScan A150 to Indian market. We will be delighted to welcome all visitors for a hands-on trial of the eScan A150.”

Plustek has well-trained and fully experienced after-sales service team; customers in India may obtain the quick and direct product support locally.
