Plustek Launches

New 50 PPM Scanner - PS506U

Plustek offers more choices to enterprise users with an attractive price

SANTA FE SPRINGS, Calif. (November 18, 2015) - Plustek Technology Inc., a leader in document scanners, today announced the release of the Plustek SmartOffice PS506U which scans 50 pages per minute (PPM), or 100 images in duplex, with a 100 page Automatic Document Feeder (ADF). It also offers ultrasonic multi-feed detection to ensure all documents are digitized correctly.

SmartOffice PS506U supports TWAIN, WIA and ISIS drivers and is designed to work with majority of scanning application software. Users at law offices, CPA firms or clinics can take advantage of the Plustek SmartOffice PS506U to scan documents directly to their document management software like eFileCabinet, FileBound, Square 9 and others.

The PS506U comes with Plustek DocAction scanning utility, a rich application that offers easy scanning control for variety of document needs and can be preset to nine different scan buttons. DocAction also features image enhancement tools, such as automatic crop, deskew, rotate, threshold, blank page removal, and others for efficient scanning jobs. PS506U is also bundled with Abbyy FineReader OCR and NewSoft Presto! PageManager software for all electronic paperless needs.

"Plustek now offering a full line of document scanners, with speeds from 25 PPM to 80 PPM, and daily duty cycles from 1,500 to 8,000 pages," said Robert Fuchs, marketing manager of Plustek USA. "The new PS506U offers enterprise customers an excellent scanner specification but with more affordable pricing. Efficiency doesn't have to be expensive, the PS506U is a great middle-level scanner to get your paperwork digitized quickly."

Key features of the SmartOffice PS506U:

- 50 PPM/100 IPM scan speed (200 DPI/grayscale)

- 100 page (ADF) capacity with 6,000 pages daily duty cycle

- Ultrasonic multi-feed detection

- Nine customizable scan buttons

- Scans long documents up to 200 inches

- Scans mixed batch of document, IDs and driver licenses and more

- Windows compatible via TWAIN, ISIS and WIA drivers

- Works with most document and record management software applications, such as eFileCabinet, docSTAR, FileBound, Laserfiche, M-Files, Square 9 and more

Plustek SmartOffice PS506U is priced at $749 and it is available for resale from NewWave Technologies and IngramMicro, and their resellers. For additional information please visit http://plustek.com/usa/products/departmental-scanners/smartoffice-ps506u/.
