**The Plustek eDoc N600 Office Filing Management
Server Wins the Prestigious Taiwan Excellence
Award**

The eDoc N600 was awarded with the Taiwan Excellence Award 2016 for meeting the requirements regarding innovation, design and quality.

Taipei, Taiwan (Jan. 12, 2016) – Plustek Inc. (www.plustek.com), a manufacturer of consumer, prosumer and professional imaging and security devices, announces it received the honorable Taiwan Excellence Award 2016 for the **Plustek eDoc N600**, a office filing management dedicated server.

The Taiwan Excellence Award, established by 1992, is an internationally recognized symbol for representing quality products from Taiwan to the rest of the world by the Taiwan's Ministry of Economic Affairs. Each potential award candidate is assessed by the professional Taiwan Excellence committee on the merits of their research and development capabilities, design elegance, quality of workmanship and marketing accuracy. This award also represents the technological innovation and dynamics of Taiwan's industry experts in creating distinctive products that provide convenience, functionality and which all help to boost productivity and lifestyle.

Plustek has dedicated in scanner industry for nearly 30 years; based on the research and development capability in image capture and document processing application, as well as the voice of customer

studies provided data that proved customers are looking for a digital archives management platform, Plustek develop the design of eDoc N600 office filing management server.

The Plustek eDoc N600 is a private cloud dedicated server, designed especially for SME and SOHO business, and office environment wanting to avoid the difficulties of filling paper documents, sharing information easily and searching for documents in paper binders. The eDoc N600 offers a secure file management platform, where users can quickly find and share business information across enterprise. Its innovative smart sync system allows users to back up files automatically to a designated folder, on both PC and the eDoc server from most digital devices. Moreover, users will be able to easily access files with the unique quick search technology. Plustek eDoc N600 provides the seamless files saving and sharing environment that will transform the cumbersome filing process into an excellent solution that boosts office productivity.

"We're pleased to have our eDoc N600 be selected for the Taiwan Excellence Award," said Karen Ku, VP of Sales. "We're endlessly striving to advance new innovation and improve quality to ensure Plustek eDoc meeting customers' need."
